

Michael Kaip Dream Builder Scholarship

The Board of Directors for Dreams in Motion recognizes additional opportunities for skill advancement and participation provided by various organizations throughout the country. Examples of these include, but are not limited to: sport camps, races, skiing events, and Paralympic trials. In situations where finances limit an individual and/or their families from participating in such an event, Dreams in Motion will attempt to support participants through the Michael Kaip Dream Builder Scholarship. The Board of Directors for Dreams in Motion strongly believes that these outside experiences are essential opportunities for further learning and professional growth. Moreover, individual participation in such events will serve as an opportunity for Dreams in Motion to grow as participants will be **required** to share at least one of his or her learning experiences with Dreams' local participants upon returning from the event. If you or your family are interested in applying for the Michael Kaip Dream Builder Scholarship, please answer the following questions thoughtfully and honestly.
