

2018 Adaptive Sports Equipment - Wish List Items

Hockey

Gliding across the ice is an amazing feeling, especially for a child who is not able to skate on their own. Currently, because of generous donations, Dreams in Motion has 19 sleds. We need a total of 30 sleds.

SLED DETAILS

Basic Sled: \$550 + shipping

The basic sled is a great start, but by itself will not work for most of our participants. Many or most of these options are needed:

- Telescoping Nose: \$65
- Custom High Back: \$75 - \$90
- Adjustable Leg Support: \$95
- Push Handle: \$60
- Adjustable Head Support: \$95
- Velocity 85cm Stick: \$40 per pair
- Set of 3H Picks: \$12.50 per pair
- Anti-Tip device: \$125
- Adjustable Riser: \$85 (allows for the seat to raise and/or tilt)

Total: \$1217.50 + shipping

HOCKEY SAFETY

We need adult large and extra-large size hockey helmets with cages, though we will take them without cages too. We could use more child sizes too. Gently used or new are both appreciated. We could also use hockey pads, gloves and similar equipment, in all sizes!

Wheelchair Basketball

As we seek to become a certified National Wheelchair Basketball Association (NWBA) member and expand our program, we need to acquire additional youth, adult, and one-arm driver wheelchairs to accommodate participants of all ages. These types of sports chairs range in price from \$1,500-\$3,500 per chair. Our goal is to purchase at least **one** youth chair (\$1,500) and **two** adult chairs (\$1,800 each) in 2018.

Track and Field

In 2017, Dreams in Motion quite successfully expanded our track and field program. We look to continue this momentum in coming years. Track and field participants require specialized equipment, specifically racing chairs (both youth and adult) and a throwing chair for field events.

Racing Chairs (\$1,600-\$2,500 each)

Race Runners (\$1,800 each)

Throwing Chair (\$1,000)

If you are interested in donating equipment or providing funding for equipment purchases, please visit our website at www.dreamsinmotioninc.com or email us at dreamsinmotioninc@yahoo.com for additional information.
